UMass Memorial Health Care

UMass Memorial Health Care is the largest not-for-profit health care system in Central Massachusetts with more than 13,000 employees and 1,700 physicians, many of whom are members of UMass Memorial Medical Group. Our member hospitals and entities include UMass Memorial HealthAlliance-Clinton Hospital, UMass Memorial - Marlborough Hospital, UMass Memorial Medical Center and UMass Memorial - Community Healthlink, our behavioral health agency. With our teaching and research partner, the University of Massachusetts Medical School, our extensive primary care network and our cancer, diabetes, heart and vascular, and orthopedic programs, UMass Memorial delivers safe, high-quality and compassionate care.

UMass Memorial Medical Center

Patients and families trust UMass Memorial Medical Center as the region’s leading academic medical center, committed to improving the health of our communities in Central Massachusetts. With our partner, the University of Massachusetts Medical School, we are committed to excellence in primary and specialty care, community service, teaching and research. The Medical Center offers advanced technology and support services for patients and families, providing the region with specialists renowned for their expertise in caring for adults and children.

UMass Memorial HealthAlliance-Clinton Hospital

UMass Memorial HealthAlliance-Clinton Hospital is a full-service, 170 bed regional community hospital serving North Central Massachusetts and surrounding cities and towns with a team of over 400 physicians across 40 health care specialties. We provide a full complement of services on our three campuses located in Clinton, Fitchburg and Leominster. Hospital services include birthing center, critical care, state-of-the-art diagnostic imaging, dialysis, laboratory, palliative care, surgery and in-patient hospice care. Other services include two 24-hour state-of-the-art emergency departments; two urgent care centers; primary care, a complementary care center and specialty care such as the Simonds-Sinon Regional Cancer Center, home health and hospice, physical therapy centers, and geriatric medical psychiatry programs and services. As a member of UMass Memorial Health Care we offer connections to needed specialists all within your home town.

UMass Memorial - Marlborough Hospital

Marlborough Hospital, a community resource since 1890, is served by a medical staff of more than 300 primary care physicians and specialists. The hospital provides a wide range of inpatient and outpatient medical, surgical and ancillary services, including oncology, radiation therapy, laboratory and radiology services (X-ray, CT scan, digital and 3D mammography and ultrasound), physical therapy, cardiac rehabilitation, inpatient and partial day mental health services. A state-of-the-art Emergency Department, staffed by emergency medicine physicians from the UMass Memorial Medical Center, provides 24-hour emergency care. Marlborough Hospital is certified as a primary stroke center by the Massachusetts Department of Public Health.

Our Academic Partner

UMass Medical School, the Commonwealth’s only public academic health sciences center, is consistently ranked by U.S. News & World Report as one of the leading U.S. medical schools for primary care education. It also has one of the fastest-growing research programs in the country. Its mission is to advance the health and well-being of the people of the Commonwealth and the world through pioneering education, research and health care delivery and is joined in this effort by UMass Memorial Health Care.

UMass Memorial Medical Group

The Medical Group is a multispecialty group practice of more than 1,100 physicians, making it one of the largest, integrated and most diverse medical groups on the East Coast. In addition to delivering care on all of our hospital campuses, it operates practice sites in over 70 offices throughout the communities of Central Massachusetts. Medical Group physicians are proud to be faculty members at the University of Massachusetts Medical School.

Private Practice Active Medical Staff Members

Private practice physicians are integral members of our health care delivery system. Representing both primary and specialty care, these physicians, many of whom are UMass Medical School faculty members, help ensure easy access to care for the region. UMass Memorial Health Care partners with many of these physician practices in deploying electronic medical records, managed care contracting and other management services.

Fairlawn Rehabilitation Hospital

Fairlawn Rehabilitation Hospital is the area’s only acute rehabilitation hospital and provides comprehensive medical care, intensive therapeutic services and specialized nursing care to help patients reach their highest level of independence. Using an interdisciplinary approach, a team of medical and therapeutic professionals delivers the best rehabilitation program for each patient. Along with 110 inpatient beds, Fairlawn provides extensive outpatient services. A partnership of UMass Memorial Health Care and HealthSouth Corporation, Fairlawn is a member of our UMass Memorial Health Ventures division.

UMass Memorial - Community Healthlink, Inc.

Community Healthlink is committed to promoting, restoring and maintaining the physical health, mental health and dignity of adults, children and families in Central Massachusetts who are experiencing mental illness, addiction or homelessness. With multiple locations in Worcester and throughout North Central Massachusetts, it provides outpatient and inpatient mental health and addiction recovery services, as well as emergency mental health services. Community Healthlink joined the UMass Memorial family in 1998 as part of the UMass Memorial behavioral health services.
