About Our Health Care System

UMass Memorial Health

UMass Memorial Health is the largest not-for-profit health care system in Central Massachusetts with more than 15,500 employees and 2,100 physicians, many of whom are members of UMass Memorial Medical Group and Harrington Physician Services. We are the clinical partner of UMass Chan Medical School. Our comprehensive system includes UMass Memorial Medical Center, UMass Memorial Health – Harrington, UMass Memorial Health – HealthAlliance-Clinton Hospital, UMass Memorial Health – Marlborough Hospital, and UMass Memorial Health – Community Healthlink. Together, we impact every aspect of life in the region by making health and wellness services available to everyone, at the bedside, in the clinic or community, or even at home, advocating for social equality and providing economic stability and opportunity. There are many ways to heal. We pursue them all. Relentlessly.

PRIVATE PRACTICE ACTIVE MEDICAL STAFF MEMBERS
Private practice physicians are integral members of our health care delivery system. Representing both primary and specialty care, these physicians, many of whom are UMass Chan Medical School faculty members, help ensure easy access to care for the region. UMass Memorial Health partners with many of these physician practices in deploying electronic medical records, managed care contracting and other management services.

UMASS MEMORIAL HEALTH – COMMUNITY HEALTHLINK
UMass Memorial Health – Community Healthlink is part of the UMass Memorial Health system with a relentless commitment to serving those in need of mental health and addiction services throughout Central Massachusetts. We provide around-the-clock emergency behavioral and mental health evaluation and services, and we connect people with urgent requests for services within 24 hours and routine requests within ten business days. We offer an array of homeless services, outpatient mental health services and primary care services for adults. We provide rehabilitation services for adults with serious mental illness and/or substance addictions, including inpatient programs, residential recovery treatment, and outpatient counseling. We provide care to children, adolescents, and families, including outpatient and community-based assessment and treatment services, school-based services, and the only inpatient adolescent substance use disorder treatment program in Massachusetts.
